

## *Graduation is a time for Photographs!*

For nearly two decades, a highlight of CHS Grad Weekend has been our **Grad Gallery**. This is a display of 60-70 black and white poster-sized photos of the graduates in whatever settings they can imagine themselves and their friends in. We take the photos in April and May at no charge to the students unless they choose to purchase

the prints on Grad Weekend (\$30). Please encourage them to be thinking of imaginative ideas for their photo – we can make almost anything happen! There are lots of samples from the past years at <http://www.nlacey.com/photogradgalleryindex.html>.

You're probably hoping to have some special **Grad Formals** of your son or daughter taken as well as **Family Pictures** when you're all together at Grad. May I offer my services?

I will be booking individual (or family) sessions during the weeks before Grad. For \$125 you will enjoy an extensive outdoor photoshoot and receive a CD of all pictures to use as you wish as well as an 8x10 of your favourite. Please contact me at (306)756-2652 or [llstudios@nlacey.com](mailto:llstudios@nlacey.com) to book a session.

On the Saturday of Grad Weekend, I will be photographing families and/or grads from 9:00 until 2:00. Sessions can be booked through Vi, the office manager at CHS, and will cost \$100. You will receive a cd of all pictures and an 8x10 of your favourite.

And, of course, you'll want a **2011 Grad Class Picture**. This will be taken Saturday afternoon before the Banquet. Pre-ordered 8x10's will cost \$20 and prints ordered after Grad will cost \$25. Vi will be handling the orders at the CHS office.

It was my joy to teach at CHS for more than 20 years before taking early retirement to pursue photography full time and I still love working with teenagers and showing them at their best to the rest of the world.

Please check out my website at [www.nlacey.com](http://www.nlacey.com) and I hope I have the chance to see you and your proud grad on the other side of my lens.

Sincerely,  
Nigel (a.k.a. "Mr.") Lacey
